

Bartholomew County Financial Literacy Newsletter

WELCOME TO OUR NEW WEBSITE AT WWW.MONEYWISEBC.ORG FOR MORE TIPS!

It's never too late to start a realistic budget to help you achieve a financial well-being. Try these easy tips for success:

#1. Little things add up. Buying that coffee every morning, eating out daily for lunch and buying the latest apps can put a dent in your wallet.

#2. Plan a menu for family meals. Groceries cost a lot less than eating out for dinner and it is much healthier for your family.

#3. Cut it out. You may have purchasing habits but as you look at your spending patterns, some of those habits may lead to extra things that you really don't need. For example, magazine subscriptions that you don't read anymore.

#4. Tax refund check. Think about the long term benefits of utilizing your tax refund check to cut down on debt or invest in savings.

Look at the BCFLC website for more helpful tips at www.moneywisebc.org.

Upcoming Events:

Reality Store helps 8th graders connect academic grades with their future income. Event is held on Nov. 12 and 19th.

Free Tax Assistance is available to individuals and families with income less than \$53,000. Call 2-1-1 to schedule and appointment.
